

SOME ACHIEVEMENTS:

Some of the project's achievements so far registered are:

- Mobilization of the Deaf in Kampala district. The number of members has increased as a result of entry of new members.
- Establishment of Divisional Deaf Associations in each division in the district. This has enhanced teamwork among the members.
- Increase in the number of Deaf taking VCT. Today many deaf is voluntary going for HIV/AIDS tests.
- Capacity building of both UNAD and KDA members in various skills like Rights Based programming, Strategic planning, Advocacy etc.
- Training sign Language to service providers and interested people is encouraging social integration of the Deaf in the communities. Increasing number of people are becoming fluent in sign Language and hence bridging the communication gap with the deaf.

HOW LONG IS THE PROJECT:

The first phase of the project lasted for 6 months this was followed by a two year partnership ending in September 2007. By then it was hoped that KDA will have been ably empowered to address the needs of its members` in more sustainable way.
